

April Prayer Points.

Prayer Relay Movement-April 2012

To start with let me take this moment to express my most sincere gratitude to everyone who has been part of this movement. I am glad we have launched well and are going on into our second month. I personally experienced a lot of challenges in this month, in many different areas of my life. As they say "fore-warned is fore-armed." I was armed and covered in prayer through it all. Ladies and gentlemen never, ever underestimate the power of prayer. No matter what your situation is God had a solution to it. If you are not believing God for the impossible in this month, then do not pray with us this month, you are in the wrong place. I know without the least bit of doubt that in April 2012 the Lord of Hosts will move among his people, the sick shall be healed, road accidents will be at a record minimal this Easter if we will take our position in prayer. Is there anything too hard for the Lord? The question I am asking you today is the same question that God has been and continues to ask you today, "Son of man, can these dry bones move?" In this month let it done according to your faith.

The Kingdom of God is a place where FAITH is the currency; your faith will get you what you desire in this month. I encourage you to get two people to join you in this movement, not invite but actually get them. Invest in them being a part of this. I am happy to tell you that we had over a hundred views of the prayer points every single day, in March with the highest views being from India. The Lord is moving brethren, I am glad to share this with you. That being said, brethren welcome to the Prayer Relay Movement for April, "where we run our race and God moves on our behalf."

Remember do not worry about what time zone you are in...We are all in God's time zone. Invite someone to pray with you as we believe for more and more believers in this movement. Each prayer point covers 20minutes, such that there are 3 prayer points for each hour. Pick a time or times that you can commit to for prayer every day, when you have done so kindly email your name, city, country and the times you will pray to mkwnyd@gmail.com or simply put it in the comment section on www.guardianrecords.blogspot.com.
