[Prayer Points-December 2012](#)

[Prayer Relay Movement-December 2012](#)

As we draw the curtain on this year, I'd like to take this moment to personally thank the Lord for affording me this wonderful opportunity to serve him and to serve his people through this platform of ministry. I would also like to extend my most sincere gratitude to those who have taken their time to spread the load of this ministry and make it more effective, special mention goes to my lovely sisters in the Lord, Chiedza and Patricia. May this seed of faith, this seed of love, this seed of service that you have sown grow beyond what is humanly comprehensible. May it become a seed that bears a harvest so vast that it will live on after you. May heavens forever remember you by this.

Another special thank you, goes out to those who have spread the word about this good work that God has begun through us. God will honour you. To those who have laboured in prayer with us from the beginning, and those who joined us along the way, I will say I am honoured to be a part of this growing family. It has been a blessing serving with all of you. The Lord has lay on my heart greater works for 2013, I encourage more of you to contact us to see how you can get involved in this.

God has already started accelerating us as he said he would before this year cones to an end. What ever it is that you have been praying for, what ever it is that has been standing in your way this year, I declare that as you pray this month your situation will change. Your story will change. In this month when we idly celebrate the birth of our Lord and Saviour Jesus Christ, Let us take time to appreciate how much of a sacrifice it was to send him. God is Omniscient, which tells us that by the time of Jesus' birth his death was already at hand in the eyes of the Lord. Sending his only begotten son to his death, his death in our place...Think about that as you pray this month.

Without any further ado, let me welcome you to the prayer relay movement for December 2012.
