

[February 2014 Prayer Points \(Harvest\)](#)

This month I just want to start by thanking God for the great work that he has been doing among us. He has continued to expand us, not only in numbers but also as individuals in service. We have witnessed multiple miracles in this season. Great is his name! What made it even greater is the fact that these were spread across the world. God has used us to reach people whom we have not met and whom we would ordinarily never be in touch with. Thank you Jesus. We are praying for a harvest this month.
