January 2014 Prayer Points

-
At the start of any journey, the traveller needs to know where he/she is heading or at least that he/she is heading the right way. When the Lord is leading you, you may not know where you are going but you know that where ever he will take you, is for your greater good. Jeremiah 29:11 says "For I know the plans I have for you, declares the Lord, plans for WELFARE and not for evil, to give you a FUTURE and a HOPE." If you would let the Lord lead you, this is where he will take you. To a place where you will fare well! When you are given a FUTURE it means that whatever is ahead of you is already been sorted before you get there! It means that no matter what situation you are in, you have hope! In the power that is vested in the name of Jesus Christ, I bless your year! I bless your footsteps; I bless all that is ahead of you in this coming year! May it all glorify Jehovah! By God 2014 will be your greatest year yet! This month we want to take this time to commit this year to Jehovah, and ask that he would guide us through it!

Take a knee:

Alpha and Omega. You are the beginning and the end. Lord as we begin this year, I ask that you would begin it with us, and that you would lead us, and also watch our backs. Lord I pray that our eyes be fixed on what is ahead and not held back by past failures and challenges. I declare that this is a greater year than any year that has come before, in Jesus name. May your kingdom come, and may you be glorified in this season. Lord I pray that many hearts be drawn to you in this eleventh hour. May we desire you more than ever; I pray that we may not move unless you are ahead of us Lord. We will not go unless you lead us father! In Jesus Christ's name I pray. Amen
