

July Prayer Points

Prayer Relay Movement - July Prayer Points 2012

Never take lightly this truth, "Many are the afflictions of those that get close." Another version translates this as, [Psa_34:19](#) **Many are the afflictions** of **the** righteous: but **the** LORD delivereth him out of them all. See the more you believe, the closer you get to God the more onslaught you are open to. When you hang around God he pours out into you, and drives you closer to your purpose and destiny. This drives the enemy mad, and he will do all he can to derail you, to make you quit, to make you forfeit your dreams and ambition and most of all your purpose and mission. However the saving grace is at the end of this scripture, "But the Lord delivers him out of them all." Look it doesn't say some or many, it says ALL. God exalts his word higher than even his name, That is why we pray HIS word. It never returns to him void. The last month for me personal has been full of spiritual afflictions, yet I am here to testify that he has INDEED delivered me.

Believe for greater things this month, I challenge you to that. Press harder than ever, be faithful and consistent in your prayer times. Recruit more people into the relay. Together we can get the world praying. Not much has changed with these prayer points from the last month, I feel the heart of God is still broken by these things, therefore we need to keep pressing in. Scriptures have changed in some cases. I am believing for God to intervene in Syria this month.

With that I encourage you to be more prayerful starting this month. Invite others to pray with you at time. That being said, brethren welcome to the Prayer Relay Movement for May, "where we run our race and God moves on our behalf."

Remember do not worry about what time zone you are in...We are all in God's time zone. God himself does not live in time. Invite someone to pray with you as we believe for more and more believers in this movement. Feel free to join or add others to our facebook page '**The Prayer Relay Movement**'. Each prayer point covers 20minutes, such that there are 3 prayer points for each hour. Pick a time or times that you can commit to for prayer every day, when you have done so kindly email your name, city, country and the times you will pray to mkwnyd@gmail.com or simply put it in the comment section on www.guardianrecords.blogspot.com.
