Prayer Points - June 2013

-

I have heard it said often that, the size of your challenge is also the one that determines the size of the reward that awaits us. Job 14:1 confirms this; "...man's days are short, and full of trouble." summarised. The beauty of all this is that, when you follow through Job's story you'll realise that his reward was far greater than that which he had lost. You'll realise that his huge troubles set him up for a huge blessing. I declare that will be your story in the name of Jesus Christ. Wherever you are right now, no matter how far back or how far ahead you are, it is not your destination. God does not guarantee a smooth road, but he guarantees his presence even in the most crooked road. He guarantees that no matter how grim or malicious your situation is, he is there facing it with you. May you rejoice in your troubles, may you praise him in advance because the Lord is here with you, because the Lord will advance you from where you are right now.

I don't know what it is that you are believing for this month, but the Lord said, "Tell my people to come to me and I will accelerate them." If you are believing for a better position, better health, or whatever else that need some God speed...brothers and sisters this is your month. We will declare his word into every situation and see change. Heaven will not pass you, your situation will not escape His touch.

My heart is heavy, heavy with the grievances that the Lord's heart has seen in this month. Terror, natural disasters, child being flushed down a pipe. I am not as sensitive to these as He is, yet it has touched me so much. He is omnipresent, He witnesses these things first hand. Remember your city and your nation in this month.

Take a knee for a moment:

Dear Heavenly Father

We have sinned and fall short of your glory. Lord yet your eyes have not, even for a moment looked away from us. May you touch us anew, may you accelerate peace and love from the back of our hearts where this world has pushed them. In this month Lord, may our faith be accelerated, and our beautiful feet bring it to all ends of the earth.

We ask all this in the name of Jesus Christ

Amen

Without any further ado, let me welcome you to the Prayer Relay Movement for June 2013.
