

[Prayer Points for May \(Prayer Relay\)](#)

[Prayer Relay Movement-May 2012](#)

With great excitement and through his grace we are entering yet another month. Praise be to the most High God. It is by this grace that we continue to intercede in this relay. Every individual needs a prayer, for it is in the prayer closet that backsliding begins. If you would abide in Christ, and him in you. A wise that know once said, "Men may substitute reading the bible with listening to sermons and teaching. Though it is not advisable for there is nothing as pure as God's word direct from him. However there is absolutely NO SUBSTITUTE for PRAYER." Prayer is an experience, it is a journey into the arms of God brethren. Just having someone to take all your cares and burdens. Just having someone who will listen to all you have to say and not judge you. Through prayer God also communicates to his people.

I believe and have seen God's move in the last month, prayer requests have come in some even through our facebook page and God has done what he does best, and that is show his faithfulness.

Charles Bridges said, "A prayerless man is ungrateful because he doesn't thank God. He is self-righteous because he doesn't confess his sins. He is self-centred because he doesn't ask God to bless others. He is presumptuous because he doesn't pray daily for his needs. He is irreverent because he doesn't praise God nor pray for His kingdom to come. And he is unfriendly to God because his prayerlessness evidences that he doesn't enjoy being with God."

With that I encourage you to be more prayerful starting this month. Invite others to pray with you at time. That being said, brethren welcome to the Prayer Relay Movement for May, "where we run our race and God moves on our behalf."

Remember do not worry about what time zone you are in...We are all in God's time zone. Invite someone to pray with you as we believe for more and more believers in this movement. Each prayer point covers 20minutes, such that there are 3 prayer points for each hour. Pick a time or times that you can commit to for prayer every day, when you have done so kindly email your name, city, country and the times you will pray to mkwnyd@gmail.com or simply put it in the comment section on www.guardianrecords.blogspot.com.
