

Prayer Points for November

Prayer Relay Movement-November 2012

It is God who began this good and awesome work and is faithful to see it to completion. I would like to take this opportunity to give all glory to the King of Kings and Lord of Lords for his faithfulness from this time he steered us to start this Relay until this very day. As always he has been faithful to answer the prayers of his people. Unfortunately at times we do not avail ourselves for God to do his work through us. In this last month a lot of things have occurred, several deaths and what not. I was frustrated, and asked the Lord why he had not told me of any of this before it came to pass as he often does. The Lord said to me, "You have not heard because you have not listened, not because I have not spoken." Those very words playback in my mind constantly. I realise that the Lord is always speaking to his people, but not all that have ears will listen. I'm excited to say that as the Holy Spirit led us to do we fasted on the 21st as we will be doing every month. God will move in your situation... I encourage you brethren to take time to listen for the voice of the Lord when he speaks to you, as he is always speaking. Tithing your time to him, just 2 hours and 40 minutes of the 24 hours that you have in a day. Take that time to lay everything else down and give that time to him. To speak to him and for him to speak to you. I feel it in my spirit that the Lord is going to do greater things before this year ends. If there is anything that you have been praying for in this year, that has not come to pass...I challenge you to put the Lord to a test. He delights in blessing his people. Send us your prayer request and we will stand with you, and the Lord will deliver.

As I sought the Lord for guidance on our prayer points for this month I felt the same things that we prayed for need to be pushed further this month, thus you will notice little or no change to the prayer points themselves.

I would like to challenge you this month and in the months to come, to make it a point that you pray through all the prayer points by the end of the month. May the Lord intervene in your sphere of situation.

I challenge you to ask at least one person everyday what they'd like you to pray for. Tell them about our "Prayer Relay Movement" and the facebook group. If you are not able to pray for them yourself post the prayer request on our facebook page and we will all stand together. Be part of this, do not let this opportunity to be part of the move of God pass you by.

That being said, Let me welcome you to yet another month of this "Prayer Relay" for September , **"where we run our race and God moves on our behalf."**
