

April Prayer Points

Prayer Points - April 2013

Prayer Points for April 2013.

One of the greatest things that I ever learnt about love was taught to me through the music of Tyrone "TWyse" Smack. He correctly identifies the fact that people would rather see you with "James" than "Judas". Yet it was Judas that sold out the son, so the son could die for you and I. This was a plan to destroy Jesus, yet the result was to actually propel him to his destiny. May that be your story!! May that be your testimony!! Jesus knew that Judas was a thief, yet he still gave him charge of the currency knowing that he would be sold out for currency, now that's the type of love we don't currently see.

Ladies and gentlemen, as we remember the death and resurrection of our Saviour. That resurrection, that is the hinge of our salvation. May heaven remember you. May you take this time to remember someone who you have not reached out to in long. May you take this time to extend heaven's love. As Paul says even if we have and do all these things, but lack love we have nothing. This month as we pray for our deliverance from the hands of potential destruction. Those who plot your downfall will fall.

Let us pray: Thank You Lord Jesus, for coming down from your glory in filth. For laying down your life, and being slain like the sinner that you were not. We are eternally grateful. Thank you father. May the blood that you shed be a reminder of who we are. May the life that you lived be a reminder of the path that we ought to walk. In the Mighty Name of Jesus we pray.

Amen

Without any further ado, let me welcome you to the prayer relay movement for April 2013.
