

April Prayer Points for Favour

April Prayer Points

Establishment is taking root in a place. That is what we have been praying for. The Bible says the Israelites were established in Egypt during Joseph's time. However when Joseph died and a new leader came who did not know about Joseph, he enslaved them. That will not be your case. This month we are praying for fruitfulness in the land that we have been established in. We are praying for favour in our establishment. We are praying for his covering.

Take a knee: Lord we give you glory for establishing us. Thank you for the spheres that you have rooted us in. We ask that you would grant us favour to be fruitful and favoured in the land that we have been established. We give all honour and glory to you. In Jesus' name. Amen.
