

May Prayer

In April we were praying for the Lord to make us fruitful. It has already been a fruitful month in ministry, we have seen the Lord do great works. We have had the pleasure of ministering to marriages that were losing life, just breathing the life of God back into them through word of knowledge and prophecy. Many were blessed by this move of the Holy Spirit. We have also made significant progress in preparation for the launch of "Equip a woman Foundation", we are still praying and working on it. To God be the glory. Our reach has also further expanded, as it does month to month. The month of June will see us launching a new program that should also be a blessing to many. It is still being cooked, when it is ready it will be made available through our website. Keep an eye open for that. I also encourage you to go and sign up to our newsletters on our website www.prayerrelay.com, so we can keep you updated on all that God is doing.

This month we will be praying together for God to enlarge our territory. We want to reach greater heights for his glory. God bless you, and welcome to this edition of the Prayer Relay, take your marks, let's go!

Father I commit this month into your hands. We bless these prayer points in the mighty name of Jesus. We bless those who have taken time to prepare them. We thank you for every individual who will pray with us this month. May you meet them at their point of need. We know no prayer goes unanswered. We bless your name for your faithfulness king of kings. In the mighty name of Jesus. Amen.

1 Chronicles 4:10 *10 Jabez cried out to the God of Israel, "Oh, that you would bless me and enlarge my territory! Let your hand be with me, and keep me from harm so that I will be free from pain." And God granted his request.*
