

PRAY FOR A FRIEND

FINANCIAL BLESSING

- **Lord I pray for my friends' financial needs. May they see your hands in provisions.**
 - **Father I pray that you would meet their needs according to your riches in glory.**
 - **May their hearts never be consumed by greed. Reel them in.**
 - **I pray that their work for you never be marred by a desire for personal financial gain, lest they would lose their way, lest they would love money.**
 - **Beyond finance, let my friends find their calling.**
